#### **CREDIT CARD CONSENSUAL SECURITY INTEREST**

You grant us a security interest in all individual and joint share and/or deposit accounts you have with us now and in the future to secure your credit card account. Shares and deposits in an IRA or any other account that would lose special tax treatment under state or federal law if given as security are not subject to the security interest you have given in your shares and deposits. You may withdraw these other shares unless you are in default. When you are in default, you authorize us to apply the balance in these accounts to any amounts due. For example, if you have an unpaid credit card balance, you agree we may use funds in your account(s) to pay any or all of the unpaid balance.

By signing or otherwise authenticating below, you are affirmatively agreeing that you are aware that granting a security interest is a condition for the credit card and you intend to grant a security interest.
